OUR ESSENCE

Global Creation

BESTILE provides sophisticated design ceramics, with a concept of total quality, pursuing the complete customer satisfaction and guaranteeing our best design and innovation.

Through aesthetic creativity and a high level in the manufacturing of all our products, BESTILE has reached households all around the world by always offering the highest excellence of the product. Bestile is living a consolidation period, that is a consequence of our latest efforts. Nowadays, Bestile keeps on being a pioneer and a reference in innovative products and production technologies.
This consolidation is based on:

- Experience and control of the latest technologies for decorating. Agility to respond to new developments.
- Complete renewal of the product range, and continuous research of innovative products.
- Respect for the environment and collaboration with the society in which our activity is carried out, in a permanent exercise of social responsibility.
- Continuous research and development in new techniques and new collections.

Clean but Exciting

Rectified Porcelain Tiles

The Mountains are calling and I must go.

Wonderful vein textures make this collection unique. Cedro looks like a clean wood effect porcelain tile, but its size and thickness makes it really exciting.

WORRYS

20mm.

Warm Colours

Rectified Porcelain Tiles

"Nature is a mutable cloud which is always and never the same." – Ralph Waldo Emerson.

Combining the original nature of wood with a painted effect creates and extreme warm feeling.
From family treasures passed down through generations to warm and homey modern finds, the lifelike wood effect with calming and peaceful tones creates a cosy atmosphere.
